

PENGUIN MULTIPLICATION

1 x 1 through 6 x 6

- Find a partner, 2 dice, and some game pieces.
- Take turns rolling the dice, saying the product, and covering it with a game piece.
- The first person to cover 4 in a row wins the game! The row may be vertical, horizontal, or diagonal. If you can't find your product, you lose your turn!

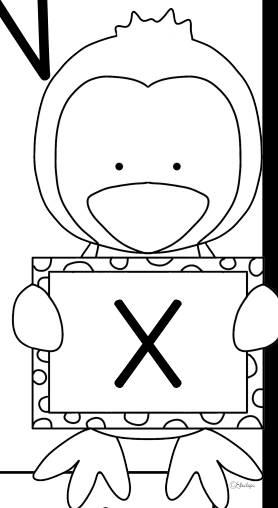

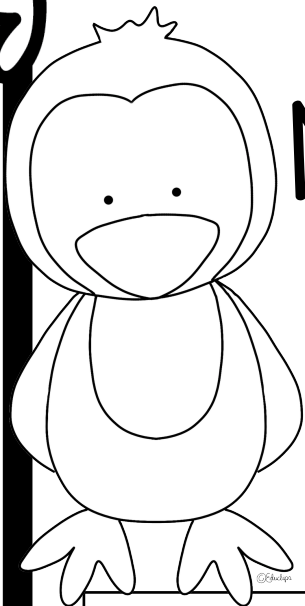

12	3	4	10	12	6
2	15	3	25	9	4
20	5	1	20	15	24
36	6	30	8	10	18
6	18	5	30	12	8
24	9	18	2	30	24
4	12	25	6	16	15

Thank you for downloading this free product! I have worked for many hours to make this for you. If you find a mistake, please contact me (denisebese@gmail.com) and I will correct it as soon as possible. Also, your positive feedback is much appreciated. =)

This work is copyrighted! It is for use in one classroom only!! Please do not simply give this product away! I know that we, as teachers, love to share. So, please share by sending your teacher friends to my [TpT store](#), so that they can download it for themselves, and see what else I have to offer.

Please follow my store to hear about new products like this one!

Thank you for respecting the hard work I have put into this, and my desperate need to help pay off my husband's student loans!

Some of the clip art, borders, and fonts for my products have been provided by these fabulous and talented sellers:
